

EU QUALITY SYSTEM (MODULE D)

Certificate No.
2821-PPE-0043

Issue date
01-NOV-2021

Issue No.
5.0

Re-Issue date
20-MAR-2025

Expiration date
01-NOV-2026

This is to acknowledge that

Hubert Schmitz GmbH

has had EU Quality System of manufacturing sites as described in the Annex to this certificate evaluated and meets the requirements of the scope(s):

The manufacture of clothing for Firefighters;

Clothing to protect against heat and flame;

**Protective clothing for use in explosive atmospheres;
chemical protective clothing;**

**Clothing to protect against the thermal hazards of
electric arc.**

Deputy Head of Notified Body:

Koen Schilleman

Issued by UL International (Netherlands) B.V., Notified Body 2821.

This is to certify that UL International (Netherlands) B.V. did undertake the relevant conformity to type procedure surveillance activities of the quality system of the manufacturer identified below, which was found to be in compliance with the relevant provisions of the Essential Health and Safety Requirements of the Personal Protective Equipment Regulation (EU) 2016/425, as amended, subject to any conditions attached hereto.

This certificate is only valid in case it is shown including the Annex pages after this front page.

Economic Operators:

Manufacturer:	Hubert Schmitz GmbH
Manufacturers Address	Düsseldorfer Str. 4, Heinsberg, Germany
Scope:	The manufacture of clothing for Firefighters, clothing to protect against heat and flame, protective clothing for use in explosive atmospheres, chemical protective clothing, clothing to protect against the thermal hazards of electric arc.

The attached schedule of approval forms part of this certificate. This certificate remains valid unless cancelled or revoked, provided the conditions in the attached schedule are complied with and the equipment remains satisfactory in service.

Notes

1: This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with the EU TYPE EXAMINATION (MODULE B) CERTIFICATE of the equipment listed in the scope to affix the “Mark of Conformity” (‘CE’ mark).

2: This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named on this certificate and/or after lapse of time, withdrawal, or revocation of the EU TYPE EXAMINATION (MODULE B) CERTIFICATE.

Terms and Conditions:

1. This certificate remains the property of UL International (Netherlands) B.V., herein "UL NL", and will be withdrawn if any conditions attached to its issue are not complied with.
2. This certificate is issued subject to the Global Services Agreement (GSA) and PPER Service Terms.
3. Production is limited to the site(s) as listed, or detailed within the Technical documentation held by UL NL.
4. Any system change, production/process changes, or changes in state of the art which may affect conformity shall be notified to UL NL.
5. This certificate authorizes the use of the Mark of Conformity (the 'CE mark'), and should be referenced within the Manufacturer's Declaration of Conformity prior to placement on the market.
6. The certificate remains valid provided the annual audit schedule is maintained and the conclusions obtained attest to continued conformity of the product(s) and quality-control system with the Personal Protective Equipment Regulation (EU) 2016/425 requirements.
7. This certificate remains valid provided the Manufacturer's ISO 9001 quality management system registration is maintained.
8. This certificate is only valid for placing goods on the EU market.
9. The requirements for the economic operators stipulated in CHAPTER II, Article 4 of the Regulation (EU) 2019/1020 of the European Parliament and of the Council of 20 June 2019
